High School Board Sells \$700,000 Bond Issue to Wm. Blair Co. Chicago

Low Bid Brings Net Interest of 2.2355 Percent on Rising Market

The \$700,000 bond issue for the Antioch Township High school building extension was sold last evening to William Blair and Co., of Chicago at the interest rate of 2.2355, President Fred Scott of the board of education announced.

There were five bidders. The Chicago firm bid 2.25 percent but reduced it through a bonus of \$1,172. K. F. Deitrick, Loon Lake, represented that firm.

President Scott said the board was satisfied with the interest rate in view of the rising market caused by the threat of war.

"We have been advised by bankers that the market is a rising one and to wait would mean higher interest," he said.

After the specifications for the present plan are completed by the architect, bids for construction of the building will be sought.

Kenosha County Fair and Horse Show to Be Held at Wilmot, Wis., Aug. 10-13

Premium lists and programs have been distributed for the annual Kenosha county fair and horse show with the fair extending through Aug. 10 to 13 and the show Aug. 11 to 13, at Wilmot, Wis.

The fair will have as its top free acts, the Marco Troupe of teeter board acrobats from Puerto Rico; the Farias duo, hand balancers from Cuba; the Hubert Dyer duo, comedy artists; Faith King's trained dogs; and the three Milos, daring aerial artists. They will perform twice daily.

The fair is expected to be bigger and better this year.

The horse show, always a big attraction, will feature riding and harness horses, jumpers and Shetland ponies.

Moose Beat Lions 28-11, Lose to Highland Park; Play Woods Drug Tonight

The Antioch Moose softball team split even in two games last week-end whipping the Antioch Lions club 28-11 and losing to the Highland Park Moose 15-8.

The local Moose club had a field day at the Lions club expense, pounding Harry Lydiard and Ed Jacobs for 25 hits Friday night at the local high school field. Joe Goelitz, Joe Bunz and Bill Meyers led the victors attack, while Art Meyers on the mound, held the Lions at bay. Red Murrie, Bill Horton and Art Smekjal led the losers attack. Ed Jacobs pulled up with a bad Charley-horse midway in the game, but it is hoped that the fleet center-fielder will be ready for the next game with the Moose.

The Antioch Moose jumped into a 6 to 0 lead at Highland Park Sunday, but couldn't hold it and lost by a 15 to 8 count. Bill Johnson, Joe Goelitz and Neal Carney led the local team at the plate.

Weather conditions permitting, the local Moose club will meet the Woods Drug team from Lake Forest tonight at the High school field. Game starting at 8:30.

Reunion at St. Peter's Church Sunday to Have Much Entertainment, Food

A reunion will be held at St. Peter's church parish grounds at 3 p. m., Sunday, July 23.

There will be fun galore for all, according to present plans. Square dancing to the tunes of the Harris Night Hawks, games, bazaar, and many kinds of refreshments will be provided. A ham dinner will be served at 3 o'clock. Various articles will be sold in booths.

Prizes will be awarded to the oldest person, youngest person, couple married longest, and parents with the largest family.

Mrs. Marion Hedberg is representing the Altar and Rosary society and Anthony Scully, the Holy Name society on the planning committee.

Annual Sanctioned Regatta At McHenry Set for July 30

McHenry will have its second annual sanctioned power boat races and water carnival regatta Sunday, July 30.

The regatta will take place on Fox river at the town and it is expected that the number of entries will approach that of last year when 150 boats were entered.

Work Progressing on Village Park With Much Yet to Be Accomplished

Last of the trees to be removed from the new Antioch park was felled and cut up during the past week through volunteer labor and the work of building an entrance road from Main street is next in the procedure.

Mayor James McMillen, Fire Chief Edgar Simonsen, Police Chief Walter Scott, Street Superintendent William Thleman and committee member Tony Scully contributed their time and effort.

Art Lubkeman and son provided the machinery in cutting down the trees and sawing them up.

Now that the preliminary work is done, the committee is anxious that groups or clubs and individuals contribute time, effort and money in completing the project. Fire places and playground equipment will be needed. Those who will contribute are asked to call Mr. Scully at Antioch 502.

The place is expected to be ideal for picnics and as a playground for children.

Antioch to Play Racine, Circuit Leaders, Sunday On High School Diamond

Southern League Standings		
	W	L Pct.
Racine	7	1 .875
Burlington	6	2 .750
Wilmot	6	2 .750
Antioch	4	4 .500
Silver Lake	3	5 .375
Model Tavern	3	5 .375
Sturtevant	2	6 .250
United Cleaners	1	7 .125

There were no games in the Southeastern League last week since some of the teams were participating in the district tournament at Burlington. This Sunday however, all teams will swing back into action. Antioch has the toughest task as they meet the league leading, Racine Thompsons at Antioch. Two weeks ago Racine shut out Wilmot to take over undisputed first place. Earlier in the season the Thompsons swamped the V. F. W., aided by a thirteen run first inning. The locals will be out to avenge this humiliation. A loss would drop them below .500 and would probably drop them out of undisputed third place in the standings. Game time at the high school diamond is 2:30 p. m. C. D. T.

Mrs. Fern Lux to Take Part In Radio Play over WEAW-FM

Mrs. Fern Lux of this village will participate as a member of Miss Nellie McClaslin's radio dramatics class in the production of "The Tinker of Toledo," over station WEAW-FM, Evanston at 7:45 p. m., Thursday, July 27.

The play for children has been selected by Miss McClaslin, director of the dramatics department of National College of Education, from her forthcoming book "More Legends In Action" which will be published by Row-Peterson and Co., Aug. 1.

In presenting the play Miss McClaslin's summer session class in radio and television production will join the Peter Pan Players, a children's radio workshop group in Waukegan under the direction of Miss Beverly Whyte, a graduate of National College of Education.

Mrs. Isabell Cook, who has been very ill, left recently for Ann Arbor, Michigan, where she will spend a month with her son, Loren, and family at 2819 Pittsfield Blvd.

Mr. and Mrs. William Conner and three children, of Evanston, were dinner guests at the home of Mr. and Mrs. John Dupre on north Main St., Monday.

Mrs. Dan Williams and daughter, Nancy, of Muncie, Indiana, are spending this week at the home of Dr. and Mrs. R. D. Williams.

Lake County Fair Will Be Held Aug. 3 to 6; At Wauconda This Year

What promises to be the biggest and best fair ever held in Lake County, will open on Thursday, Aug. 3. The fair will run for four days, and is being held in Wauconda this year.

All departments of the Fair are being enlarged to take care of the demand for more exhibit space. A large increase in commercial exhibits, as well as in the livestock, vegetable, flower and many other departments, is indicated. A high class entertainment program costing hundreds of dollars has been secured by the Board of Directors. There will be a number of rides and amusements on the Midway.

Superintendents have been appointed for all the different departments, and competent judges have been secured to judge the thousands of exhibits.

Premium books will be mailed to all farm families in Lake County shortly. Anyone else desiring a book may obtain one by writing the Lake County Fair Association, Grayslake.

There will be classes provided for all to exhibit. City people, as well as farmers, will find classes in which they may make entries.

Funeral Services for R. C. Shottliff Held Thurs.

R. Clifton Shottliff, 72, Wilmot postmaster for 34 years, died at the Kenosha hospital Tuesday morning, July 11, following a lingering illness.

Mr. Shottliff was born in Wilmot, Dec. 5, 1877, and spent his lifetime there. He graduated from the Kenosha College of Commerce in 1898 and opened a jewelry and confectionery store in Wilmot in 1900. He was appointed postmaster in 1913 and held the position for 34 years before retiring three years ago. On Oct. 15, 1913, he married Nellie Kennedy. He was a member of the Wilmot Methodist church, clerk of the school board of the Union Free High school district; clerk of the Modern Woodman of America and the Wilmot Creamery association and a member of the Order of Odd Fellows.

Surviving besides his widow are two sons, Harley E., LaGrange, Ill. and Ronald C., Wilmot; two daughters, Mrs. Lyle McDougall, Wilmot, and Mrs. Stanford Helde, Kenosha; two brothers, Guy E., Long Beach, Calif.; and Lyle, Missoula, Mont.; and four grandchildren.

Funeral services were held Thursday at 2 p. m. from the Wilmot Methodist church.

Volunteers of America 'Have a Heart' Tag Day To Be Held Saturday

Permission has been granted the Volunteers of America to conduct their annual "Have a Heart" day here Saturday. Headquarters will be at the Village hall where Mrs. Charles B. Smith will be in charge of workers.

Young people are invited to lend their service in selling "Hearts" for whatever amount the public is willing and able to give. Cash awards are being offered and movie tickets. The Volunteers of America, a national organization, cooperates with local agencies in caring for mothers with dependent children. Its work also include aid to working girls, home of the elderly folks, summer camps, missions and numerous other activities. Its slogan "Have a Heart" and help an "Unfortunate", has been used for the past 54 years.

With The Sick

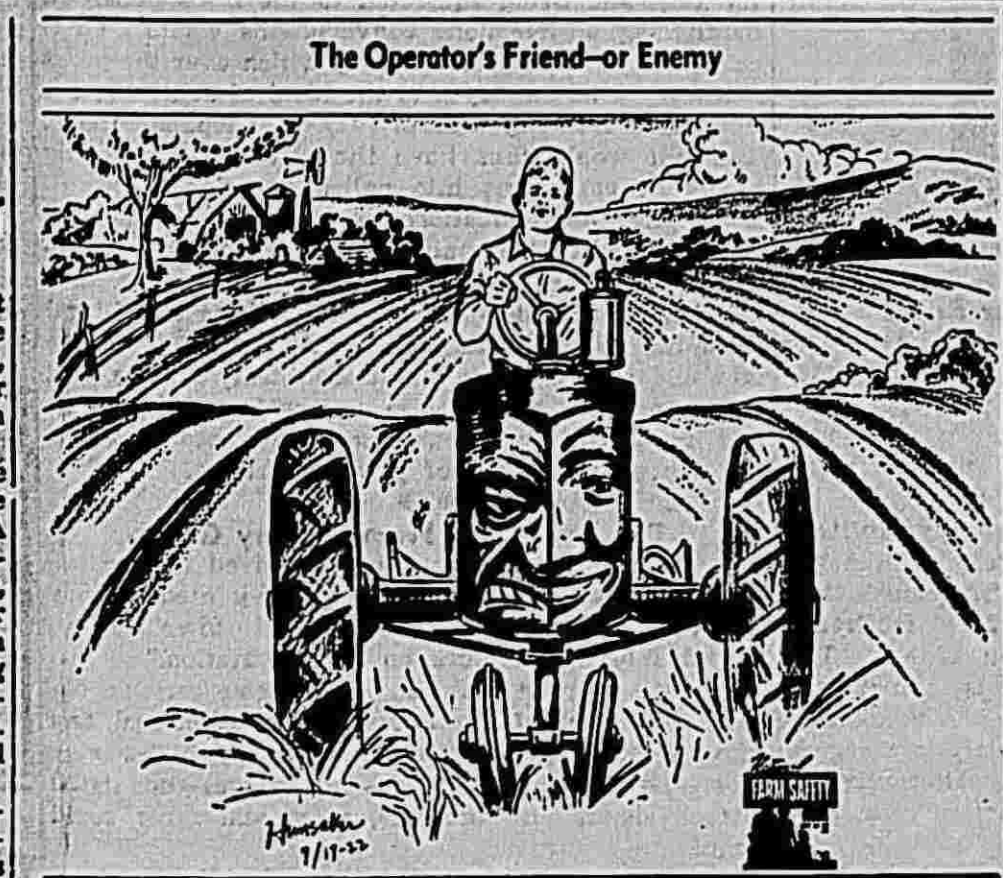

Mrs. John Bay, who suffered a heart attack last Thursday at her home at Lake Marie, is gradually improving. The Antioch Rescue Squad gave her emergency aid following the attack last Thursday.

Mrs. Koss, of East Loon Lake was taken to St. Therese hospital Monday night by the Rescue squad following a heart attack. She is reported improved.

George Bartlett went to St. Therese hospital Monday in taking allergy tests.

Father of Salem Man Dies

George F. Hein, 68, of Kenosha, father of Milton C. Hein, Salem, died Saturday at the Kenosha hospital. A brother, William, resides in Bristol township.

Famous Football Star, Jimmie Crowley Speaker For Lions Club Dinner

Jimmie Crowley, one of the famous Four Horsemen of Notre Dame who has his summer home at Fox Lake, will be guest speaker at a meeting of the Antioch Lions club at the Fox Lake County club Monday evening.

Crowley who became famous as a football player under Knute Rockne, has coached at Georgia U., Michigan State, Fordham, and was commissioner of the All-American conference football league before becoming coach of the Chicago Rockets.

He will speak on athletics. Visiting Lions and their friends are invited to the meeting and are asked by the committee in charge to call Antioch 75 for reservations.

Schultz Brothers Hurt Badly in Car Crash at Loon Lake Mon. Night

Jerry Schultz, 16, and Donald Schultz, 17, sons of Mr. and Mrs. Clarence U. Schultz of the Lehman farm near Lake Villa were seriously injured and Al Simonson, 19, was slightly hurt Monday night when the car in which they were riding left the highway and struck a tree on Rte. 21, south of Loon Lake.

Donald, the driver, said he lost control of the car on a curve. It glanced off one tree and crashed into another one.

Jerry suffered a fractured skull and has a brain concussion. He will reach the crisis today. He also has a broken collar bone.

Donald has a broken pelvis and may have a broken elbow.

All three were taken to Victory Memorial hospital by the Antioch Rescue squad. Simonson, suffering mainly from shock, was released Wednesday.

The youths are Antioch High school students. Their father is superintendent of the Lehman farms.

CATHERINE JANNISCH, 68 BURIED IN CHICAGO

Catherine Jannisch, 68, died July 14, at the Lake County General hospital, Waukegan. Mrs. Jannisch was born in Chicago March 3, 1882 and for the past several years had made her home at Channel Lake Bluffs subdivision. Funeral services were held at 3815 West Cermak Rd., Chicago. Interment was in Mt. Emblem cemetery at Elmhurst.

Alexian Chaplain Dies, Buried at Indianapolis

Fr. Andrew Bastnagel, chaplain at the Alexian Brothers home at Fox Lake, suffered a stroke last Thursday and died at the Alexian Bros. hospital in Chicago shortly after he was taken there by the Antioch Rescue squad and Frs. Flaherty and Glibride.

Chaplain Bastnagel was a member of the Indianapolis diocese and his funeral was held in the Cathedral there at 10 a. m. Monday. He had been at Fox Lake for more than three years.

GEORGE KUHAUPT IN HOSPITAL

George Kuhaupt, 318 Park Ave., was taken to Victory Memorial hospital, Waukegan, Saturday, July 15. Reports are that his condition is much improved.

Richard C. Edmundson, New High School Head, Comes From Springfield

Successor of T. R. Birkhead Was With State Dept. of Instruction

Richard C. Edmundson, of Springfield, is Antioch Township High school's new principal.

Announcement was made by the board of education and the new principal simultaneously last evening after he had taken over his new duties, earlier in the day.

Principal Edmundson resigned his position in the State Department of Public Instruction to take the Antioch job. He was assistant to Vernon L. Nickell, state superintendent, serving as chairman of the supervisors department for Northern Illinois. He has been in the department the last seven years. Before that he was principal of the Havana High school.

His most recent visits to Lake county were in inspecting the Grant Township and Grayslake Community High schools in certifying them to become accredited schools in the North Central association.

Mr. Edmundson accepted the position last week while on a three-week vacation, but withheld the announcement until he could be released from his state job. Mrs. Edmundson and their two children, Carmen, who will be a freshman in high school this fall, and Richard, who will enter the seventh grade, are vacationing in Wisconsin.

Principal Edmundson succeeds T. R. Birkhead who already has assumed his new duties as superintendent of the Thornton Township High school and Junior College at Harvey, Ill. The Edmundsons will occupy the house where the Birkheads now reside when the latter move to Harvey.

Annual Drive for Funds for Rescue Squad Is Started

The annual drive for funds with which to maintain the Antioch Rescue Squad was started this week, with the mailing by the Lions Club Rescue Squad Fund Committee of 5,000 letters to residents of the community. Coming on the heels of the 10th Anniversary of the squad, members of the committee are hopeful the response to the request for funds will meet with the same success that has been experienced in past years.

Mailing pieces, which were sent out included a reprint of the Antioch News article which appeared at the time the Squad celebrated the 10th anniversary and the story included a resume of the fine work accomplished by the squad during the first ten years of its service to the area.

Loren D. Sexauer, chairman, said that funds in considerable amount would be needed during the coming year to meet expenses of the squad, which now has two trucks and a widely expanded zone of service. He also said that suitable housing for the squad equipments was under consideration.

The Lions committee, which has taken the responsibility for providing funds for operation of the squad during the past several years, now includes Edwin J. Sletten, treasurer, and William E. Brook, Edmund F. Vos, James W. McMillen and Dr. D. N. Deering, directors, in addition to Chairman Sexauer.

Persons who wish to make contributions to the fund may do so by making the gift direct to E. J. Sletten, First National Bank, or to Wm. E. Brook, State Bank of Antioch, or to any member of the committee. Names of contributors will be published in the Antioch News from time to time as the drive progresses.

Naval Reservists May Enlist For Active Duty

Chief Poggemann, the Navy Recruiter in this area, announced today that he has received authority to accept applications from volunteers of the Naval Reserves for active duty.

Men between 17 and 31 years of age are being accepted for duty in the regular Navy.

For information, contact your Navy Recruiter on Mondays or Wednesdays from 9 to 5 p. m. in room 2, in the new Post Office Building, 336 N. Genesee St., Waukegan.

250 Attended Picnic of Milking Shorthorn Club At Argyle Farm Sunday

Mrs. W. P. Tague of the Argyle farm and kennels on Rte. 173 east of the village and her herdsman, Ernest Rider were hosts to nearly 250 persons at the picnic of North-eastern Illinois Milking Shorthorn Breeders association Sunday.

More than 30 breeders were present from the Janesville area of Wisconsin, and there were guests from Illinois as far south as Paxton and Bloomington. C. L. Pierce, of Memphis, Tenn., received the prize for coming the greatest distance.

Guests were privileged to judge two herds of the Argyle cattle and give their ratings. Prizes were awarded then on the basis of the judgment of experts. The prizes were won by:

Three-year-old cow—John Smith, McHenry, and the men; Mrs. Edward McDonald, Joliet, among the women; and Joe Blunz, Grayslake among the teen-agers.

Aged cow—John J. Champion, Milton Junction, Wis.; Mrs. T. Moon Streator, Ill.; and Richard Kohley, Naperville.

The youngest child present was the two-month old baby of Mr. and Mrs. Raymond Hertel, Grayslake, and the oldest cattle breeder was John Smith, of McHenry, who has been in the business for 37 years.

Farm Adviser Ray T. Nicholas gave the principal talk, stressing the fact that dairy farming is the best type of farming to build up soil. The farmer today is interested in a good home as well as good farm equipment," he said.

August Wickert, agriculture teacher and Dr. G. W. Jensen, veterinarian at the Antioch Township High narian were other speakers.

Mr. Rider served as master of ceremonies and introduced the speakers. Two members of the Zion 4-H club gave a garden demonstration and musical selection.

Several Antioch women assisted in serving the picnic dinner.

Polio Insurance Available To Farm Bureau Members

Farm Bureau members, through their own Country Life Insurance Company, now have a complete polio insurance protection program available to their children and themselves. After a display of great interest by the Farm Bureau members in such a protection program, the board of directors recently voted unanimously to make this additional insurance service available.

The policy is designed to protect every unmarried child of the insured under 22 years of age and residing in the insured Farm Bureau member's household. For the same premium, coverages are also extended to protect the Farm Bureau member and his wife.

Yucca Plants in Bloom

Mrs. Charles Alvers, Rte. 173, near Antioch, and Mr. and Mrs. Ralph Fields, of Ida Ave., have beautiful Yucca plants in full bloom at their homes. Normally raised in warmer and dryer areas such as California, the Yucca plant is unusual to this community. It is a member of the American lilaceous family having long pointed and often rigid fibrous gargined leaves on a woody caudex, and bears a large panicle of white blossoms.

Mrs. L. C. Ross, Bishop Dr., who has been very ill at the Lake County General hospital, Waukegan, is expected home soon.

Retailers Don't Want Higher Prices

In a New York Times news story, Greg MacGregor writes, "It becomes increasingly evident that merchants must reduce the cost of their operations. First quarter reports appearing recently were uniform in carrying the story of sales slightly below those of last year with profits down sharply."

"The most serious aspect of declining profits is then went on to say that wages, taxes, maintenance the fact that under present operating procedures they will probably continue to decline." Mr. MacGregor and other costs have all gone up, and added: "The most obvious answer to increased costs is increased retail prices, but store management has recognized that this method cuts volume immediately to a degree that nullifies the act. Hence the only alternative is further economy of operation and better salesmanship."

This situation has presented retailers of all kinds and sizes with a serious and difficult problem. From the point of view of the consumer, the principal interest lies in the reluctance of retailers to advance their prices if any other solution to the rising-cost problem is possible. A great many people have, honestly but mistakenly, placed much of the blame for inflation on the shoulders of the store operator. But no one has more to fear from inflation, or has done more in an attempt to control it. When prices rise, the volume of trade drops, and everyone—store owners, consumers, employees—suffer.

Retailing has done wonders over the years in reducing overhead costs and increasing efficiency and eliminating waste. That work, it is clear, will be continued aggressively.

Law Enforcement Not A Function of Business

In an effort to aid the states in coping with illegal off-track betting on horse and dog races, a Senate Committee has given a favorable report on a bill whose essential provision states, "It shall be unlawful

for any person to lease, furnish, or maintain any communication facility, other than a radio broadcasting facility, if such facility is used to transmit or receive gambling information in interstate or foreign commerce."

This may seem sound on first glance. But there is one very serious catch in it, which has resulted in opposition to the bill by all the principal communications companies. It was well stated by the spokesman for the U. S. Independent Telephone Association, who said, "In order to make sure they were not violating the law, and being subjected to the law's penalties, monitoring of telephone conversations would be necessitated in and by an industry which over the years has trained its employees to the ideal of achieving the utmost in intimacy and privacy in telephone usage. The bill would thus have the effect of converting telephone companies into police agencies."

The communications people are as interested as anyone else in stopping gambling and the corruption and gangsterism that inevitably goes with it. And those who back the pending bill, knowing that illegal gambling is channeling incredible sums of money into underworld hands, are undoubtedly sincere. But the proposed cure presents dangers to private rights and liberties of great seriousness. Law enforcement is not a proper function of private business.

The Low Down From Hickory Grove

Today, on account I just survived a near encounter with another of those double-jointed, 3 story highway freight trucks on the way into town, I barge into this learned lecture on "transportation."

If a railroad could buy itself some cars, an engine, and a tank of diesel or a tender full of coal, and take-off on the nearest highway or any highway it chose—no tracks to provide—no bridges—no signal system, sisters and brothers, rates and fares could tumble.

Box-car type trucks get themselves a license plate, a tank of gas, and are off for here and yonder. Taint fair, 'Taint fair to the R. R.—taint fair to the taxpayer who helps pay plenty for the highway. And even the R. R. itself must pony-up taxes that go toward providing the pavement and bridges for its big box-car type truck competitor. And now folks, with the campaign for fair play in the ring, are there any questions. I turn the matter over now, to the lunch club program persons. If they crave a pertinent subject, they now have same.

But before signing off complete and to show you I am not a 100 per cent green pea at railroading, I hasten to say that I once jimmied myself onto the Santa Fe payroll. Clumb around there in roundhouses and such—Texas to Chicago to California—seeing to it that the wires were safe. Insurance against fire. You gotta hand it to that Santa Fe—it goes the limit to make losses of life and property less likely, from fire.

Yours with the low down

GAS MISERY

Takes Joy out of Life

Recently an Antioch man said he used to feel like a swollen balloon after every meal. His food turned right into gas; he had gas pains almost constantly.

Now this man is praising CERTA-VIN. He said this new medicine moved inches of bloat from his stomach and now he can eat what he pleases, without gas misery.

CERTA-VIN is taken before meals and works with your food; thus you get the fullest good out of your meals. It contains Ten Great Herbs with Vitamin B and Iron, so it not only relieves gas; it also makes the nerves stronger with vitamin B and enriches the blood with iron. Miserable people soon feel different all over. So don't go on suffering! Get CERTA-VIN—Reeves Drug Store.

Mr. and Mrs. Anthony Sebena and family of Kenosha spent the week-end with Mr. and Mrs. Louis Rausch.

Mr. and Mrs. Ernest Otto and son of Zion were Sunday callers at the home of Mr. and Mrs. Herman G. Frank.

Prevents Slipping

To prevent a paint can from sliding off the top of a stepladder, screw an inexpensive pie plate onto the ladder to serve as a holder.

When to Water Lawn

A lawn needs watering when the upper inch or so of the soil reveals any dryness. This dryness can be quickly determined by taking a small sampling plug of earth from the grass root area.

Before Beginning Again

Paint-and-varnish-remover is used when it's necessary to take off an old finish completely before applying a new one.

Lorraine Bock Tells of Experiences at Girls' State to Auxiliary Unit

Miss Lorraine Bock, spoke before the members of Antioch Unit 748, American Legion Auxiliary during their regular business meeting last Friday evening.

Miss Bock selected to attend Illinois Girls State held at McMurray College at Jacksonville from June 20 through the 28, told the members of her week on the campus. She lived in the new hall which was built in 1948.

She acted as hostess in the dining room the first evening. Among some of the speakers was Secretary of State, Edward J. Barrett.

Lorraine said one of the things she learned was "it is the duty of every citizen to get out and vote." There were 12 girls from Lake County in attendance. Illinois Girls State, is sponsored by the American Legion Auxiliary.

Lorraine also visited Lincoln's Tomb and the governor's mansion. Mrs. Lucy Himes is the chairman of Antioch Unit in charge of Girls State matters.

FALL EVANGELISM DATES ARE SET BY METHODISTS

The date of the Preaching Mission at the Methodist church in Antioch was set this week to begin on Sunday, October 15, and extend to the following Sunday, Oct. 22. Rev. Kermit Long, prominent youth leader and well known minister will be the leader of the Preaching Mission. Mr. Long will also instruct visitors who will call in the homes.

The entire Friends Evangelism mission will get underway during the month of September when a large group of volunteer workers will conduct a community-wide religious survey. The details of this are being arranged by the Evangelism Committee which has been meeting regularly in recent weeks.

It was pointed out both by Mr. Long and the local minister, The Rev. G. Richard Tuttle, that the success of the mission depends in good measure upon the planning, preparation and praying of the local church people.

"WHO ARE YOU" CHOSEN AS SERMON TOPIC

Rev. G. Richard Tuttle, minister of The Methodist Church in Antioch will speak on the subject, "Who Are You?" at the 11 o'clock service this Sunday morning. Mr. Warren Heyne will be the soloist. Visitors are cordially invited.

The Church school will meet as usual at 9:45 a. m. (Daylight time) with classes for all age groups. Summer attendance in the church school has fallen off somewhat with an average attendance of about 170 in recent weeks. Young people visiting in the area are invited to Church school.

HANS VON HOLWEDER TO PLAY ORGAN AT SILVER TEA

St. Peter's Holy Name society had its most successful golf and dinner outing Wednesday of last week.

Thirty-one members and guests played golf and 51 members and guests enjoyed a beef dinner and trimmings at the Chain O' Lakes Country club with Ed Vos as their host.

A short meeting was held and prizes were awarded. Roman Vos and Charles Cermak won the first prizes and altogether 27 prizes were awarded to members or guests.

The Rev. Fr. Francis Flaherty gave a short talk in which he expressed appreciation of the large attendance and urged members to help make the church reunion and bazaar Sunday a success.

Methodist Building Fund Passes \$10,000 Mark

The new Church School Building Fund of The Methodist Church in Antioch passed the \$10,000 figure this week. This amount in cash is in a special fund for the new building. Another \$5,000 has been pledged during the remainder of the year.

Leaders of the local church were encouraged by the fact that two-thirds of the money pledged to the building fund has already been received although less than one-half of the year for the pledges has been passed. However the building envisioned to meet the needs of the Church School is considerably in excess of the amount which has been so far pledged to the program.

WAVE Reserve Officer Candidates in Training At Great Lakes Station

The first women to enroll in the Navy's new Wave Reserve Officer Candidate program are beginning their training at the Naval Training Center, Great Lakes, Ill. There are now 136 women going through the six-week summer training course.

Training got underway this week and will be completed Aug. 19. The trainees, designated as ROC's, were selected from applicants attending colleges and universities all over the United States. Sixty-five schools are represented in the group, with candidates coming from as far away as Hawaii.

Most of the ROC's are freshmen and sophomores in college. After the course they are now receiving and a second course next summer, qualified applicants will be commissioned as ensigns in the Naval Reserve upon graduation from college.

Recruiting Officer Will Be in Antioch Every Tues. From 11 a. m. to 2:30 p. m.

Sgt. Miles I. Lihn, recruiting officer for this area of the county has announced that he will be in Antioch every Tuesday from 11 a. m. until 2:30 p. m. Anyone wishing to speak to him may do so at Zehren's Restaurant, 914 Main St., during these hours. Army and Air Force recruiting literature will also be available there free of charge for those who care to avail themselves of it. Anyone who cannot see the Sergeant during these hours may leave their name and address at Zehren's and they will be contacted at their homes.

Of significant importance is the fact that the mental requirements for enlistment in the U. S. Army have just recently been lowered to the level required during World War II. Until this change Army intelligence requirements have been at the highest point they have ever been, and accounted for roughly twenty percent of the Army rejects. With this latest step it is hoped that the voluntary enlistment program will be successful enough to keep the drafting of men to a basic minimum.

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 23, will be:

TRUTH

The Golden Text is:
"God shall send forth his mercy and his truth" (Ps. 67:8).

Among the citations which comprise the Lesson-Sermon, the following are from the Bible:

"I waited patiently for the Lord; and he inclined unto me, and heard my cry. . . I have not hid thy righteousness within my heart; I have declared thy faithfulness and thy salvation; I have not concealed thy loving-kindness and thy truth from the great congregation. . . Let my cry come near before thee, O Lord; give me understanding according to thy word" (Ps. 40: 1; 10: Ps. 119: 169).

The Lesson-Sermon includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"To seek Truth through belief in a human doctrine is not to understand the infinite. We must not seek the immutable and immortal through the finite, mutable, and mortal, and so depend upon belief instead of demonstration, for this is fatal to a knowledge of Science. The understanding of Truth gives full faith in Truth, and spiritual understanding is better than all burnt offerings. . . Human thoughts have their degrees of comparison. Some thoughts are better than others. A belief in Truth is better than a belief in error, but no mortal testimony is founded on the divine rock" (pp. 286, 297).

Anticipating an added rush in enlistments due to this latest change, Sgt. Lihn has stated that the U. S. Army and US Air Force Recruiting Office at 325 Washington St., Waukegan, will remain open until 9 in the evening.

Billy Goetz, Gypsy Joe To Tangle at Round Lake

Billy Goetz, holder of the Illinois Junior heavyweight crown will tangle with the colorful Gypsy Joe next Friday night in the Lake County Stadium in Round Lake Park. The match will be to a two out of three fall verdict with a sixty minute time limit. Goetz can lose his titlebelt if defeated by Gypsy Joe.

Billy Goetz comes from the Lakes area and is a great favorite with the fans. However he is in a spot in this particular bout because of the title danger. The Atomic Blonde lost his crown to Gypsy Joe in Milwaukee and the latter was defeated by The Great Balbo, Goetz in turn defeated the latter to regain the honors.

Gypsy Joe is one of the most colorful wrestlers in the division. He enters the ring attired in gypsy costume and he has his wife at the ringside to coach him in code signals during a match.

Round Lake Park fans are going to see The Great Zuma on Friday's Lake County Stadium card. Zuma is to wrestle Andy Rackne, of Wisconsin. Zuma is accompanied to the ring by Zorki, his valet who at-

tends every want of his master. An Australian Tag team features the colorful Al Williams and "Wild" Bill Brooks meeting Bob Gelgel, of Iowa, and Bill Hauri, of the northwest. Williams and Brooks are an unholy duo and Hauri and Gelgel will have to be tough hombres to keep at an even pace with their rivals.

Local Sportsmen to Head Effort to Get Longer Duck Hunting Season

The Duck Hunters Association of Northern Illinois through its president James McMillen of this village has asked the U. S. Fish and Wildlife Service to combine this area with Wisconsin to provide more suitable dates for duck hunting.

Because of the November 4 opening last season in duck hunting, hunters in Northern Illinois got but a short season. Usually by Nov. 10 waters of the Chain O' Lakes and other Northern Illinois regions are pretty well frozen over.

Wisconsin hunters get a reasonably long season and so do those in southern Illinois, but the in between area of Northern Illinois loses out. Annexation to Wisconsin for its hunting season will solve the situation, McMillen says.

The campaign to change the hunting dates involved a resolution filed with the U. S. Department of the Interior, asking for the change. Officers of the association besides McMillen are Louis Pregoner, vice president; A. B. McDonald, Wadsworth, secretary; and William Brook, Antioch, treasurer.

In soliciting membership to the association, hunters were told that the membership fee is \$5 a year or \$10 for the sustaining membership. (Fifty cents goes to the Illinois Federation of Sportsmen's clubs.) Checks are made payable to Brook in care of the State Bank of Antioch.

The resolution said:
To: The Honorable Oscar L. Chapman, Secretary of the Interior Washington, D. C.

Dear Secretary:
Due to the fact that the State of Illinois is approximately 500 miles long and because in the Fall season, the greatest concentration of migratory fowl occurs in Southern Illinois, the U. S. Fish and Wildlife Service in conjunction with the Illinois Department of Conservation have always in the past granted a hunting season to conform to the arrival of the main flight of migratory fowl in this Southern area. We, the duck hunters in the Northern area, are in reality the "forgotten men". Therefore, we, the board members of the above mentioned association sitting in executive session, have thoughtfully drafted for your serious consideration and approval the following:

RESOLUTION

WHEREAS: due to climatic conditions beyond our control, the natural time for the sport hunting migratory fowl in the Northern 15 counties of the State of Illinois (map enclosed) begins during the early days of October,

AND WHEREAS: we duck hunters, who reside and hunt in this area very definitely feel that the present regulations which govern the taking of migratory fowl work against our enjoyment of the aforementioned sport;

THEREFORE, be it resolved that we sportsmen and duck hunters of the aforementioned 15 counties containing five million people be granted a hunting season compatible with the natural flight and arrival of all migratory fowl in this area. This is to be done by revising the present zoning regulations to coincide with isotherms and natural climatic conditions; and not to be based on arbitrary and unnatural state boundaries (at least so far as the State of Illinois is concerned).

We firmly believe that the zoning of Illinois presents no real great problem as to proper game management or law enforcement. In fact, we contend that by treating the licensee in one zone as a non-resident in the alternate zone, both State and Federal revenues would be substantially increased through the sale of additional licenses and duck stamps. The State of Illinois is presently operating under a three zone system as regards fishing and upland game and the State of California technically has two zones for migratory fowl.

We understand that the kill in the State of Illinois last season was less than one-half of the average of the other states in the Mississippi Flyway, so we further believe that the continental shortage of ducks is not due so much to gunning pressure in the State of Illinois as it is in the lack of breeding and nesting areas and sanctuaries, due to man's thoughtless over drainage and mismanagement of marginal lands which were formerly the natural habitat of countless millions of our water fowl.

THEREFORE, we dedicate our dreams and our plans and our strength to the end that we may create new and better habitat for our wild life, that the posterity may always and forever enjoy the great and glorious sport of duck hunting.

Sincerely and respectfully yours,
Duck Hunters Association of Northern Illinois

By James W. McMillen, President
Lewis Pregoner, Vice president
A. B. McDonald, Secretary
William Brook, Treasurer

P. S.: Be it further resolved that copies of the above resolution be forwarded to our two United States Senators, The Honorable Scott W. Lucas and The Honorable Paul Douglas, to enlist their counsel and their aid for favorable action on the above request.

In this case **FEELING IS BELIEVING**

No, the eye does not tell everything—not in this instance.

True, it tells you ROADMASTER is smart. It tells you it's big. It shows, if you watch closely, that this brawny beauty rides level and unperturbed even when road-roughness has its wheels fairly dancing.

A glance may even indicate how much lolling comfort there is here—what wide-open freedom passengers and driver know in this gay traveler.

But how can the eye tell you how you feel touching off the great power that's under this broad bonnet?

How can it reveal the silken, swift-mounting surge of oil-cushioned take-off—smooth, silky, un-

broken, as Dynaflo Drive works its magic?

Even when you watch a ROADMASTER settle down to a long steep pull and crest the top going away, how can it tell you what thrill your spirits get from such ability?

And what can it say of the lift that's yours traveling in a beauty that catches all eyes, swivels passing heads, marks you by its very lines as traveling in as fine a car as any man can ask for?

No, these things you have to feel

for yourself, and we're delighted to help you do so.

Your Buick dealer wants you to know about ROADMASTER first-hand—wants you to drive it, try it; feel it out.

It doesn't cost a cent to arrange such a trial. It can do a lot toward opening your eyes to the day's highest standard of fine-car feel and fine-car action—not to mention "why pay more?" prices.

How about seeing your dealer right away?

Only BUICK has Dynaflo Drive* and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forehead, taper-through leaders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride ride; low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher, *Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models

FOUR-WAY
FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Time in HENRY J. TAYLOR, ABC Network, every Monday evening.

CHRYSLER IMPERIAL 4-DOOR SEDAN
with Clearac rear window

Chrysler Imperial

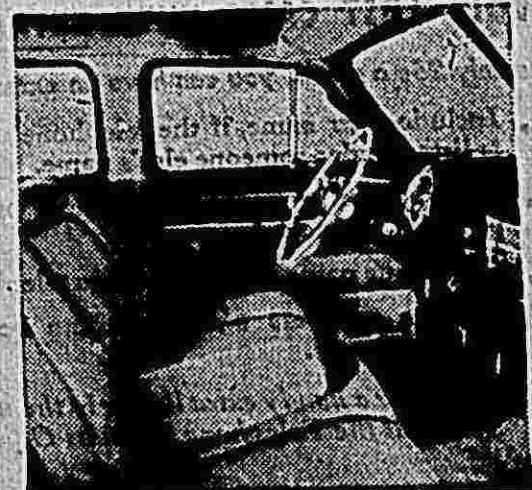

a new car of
unrivalled distinction

This is the Chrysler Imperial...new running mate of America's finest car...the great Chrysler Crown Imperial. With the same luxurious interiors—unmatched in automotive history! With built-in value all the way through unrivalled today! With the quality of materials, the workmanship, and engineering that put every Chrysler in a class by itself! From new Clearac rear window to the soft, satiny butler-finished chrome of interior appointments...this car is excitingly new! Deliberately built as a challenge to all former standards of what a fine car should be...and should do for you! Come take the wheel. Then carefully compare the built-in value with what the others offer.

There's built-in value all the way through, without equal... Waterproof Ignition System... High Compression Splitfire Engine... Fluid Drive... Full Flow Oil Filter... foam rubber seat backs... a Booster Brake... Chrome Wheel Covers... White Sidewall Tires... many other features that, when available at all, are extra-cost on other cars.

Here is distinction in interior decor unsurpassed in any other car, regardless of price. Aristocratic color harmonies combine exquisite wool broadcloth fabrics, top-grain leathers. Chrome is tasteful butler-finished. Window lifts are electrically operated... arm rests, front and rear, are double-width throughout.
